Bishop File

This afternoon the writer obtained from a reliable, confidential source in Chicago the following information about Major Robert N. Bishop. The contact was made discreetly with Mr. Finnegan, the editor of The Chicago Times, and with other sources regarding Major Bishop.

It was learned that his record was outstanding while a member of the staff of The Chicago Times, and he was reported to be one of the best investigators they had employed. Furthermore, he was said to be an expert at marshalling and assembling facts, and he has apparently demonstrated persistence and perseverance which were most admirable.

During the time that Major Bishop was associated with Governor Horner, his record was very satisfactory. He had special confidential duties to perform for the Governor, and the source of our information indicated that he did a fine job.
